

Oil Painting Workshop

**FUN
&
EASY**

We have a blast in class and everyone is welcome from beginners to those with advanced skills. Steve is an artist, retired professor, extremely patient, and knows how to make learning fun!

Seriously, it is easy to create a painting when you know how to mix color in just 7 steps, how to thin the paint properly, and apply the paint in the style of your choosing. We will be using oil paint because it stays wet on the palette for a week or more, yet dries overnight on the canvas when you know the secret! Most of the techniques you learn can be used with acrylic paint also.

Class Times, Material List, & Info

Class Dates & Time

January 8, 2024 thru March 18, 2024. (12 classes). Monday's from 1:00 till 4:00.

Cost

Instructor Fee: \$40 per student for the entire course.

Shared Materials (paint, cleaners, oils, thinner): \$20 per student for the entire course.

Personal Materials: Varies, but is usually under \$30 ~ see list below.

Required Personal Materials – Needed for the Second Class.

Everyone must purchase personal supplies on their own. All of these supplies are available locally.

1. **Brushes.** Purchase synthetic brushes that often go by the name "taklon" or "golden taklon". They do not need to be labeled "for oil". These brushes are often sold in a pack of several brushes. You should have flat AND round brushes.
2. **Canvas.** Pre-stretched primed canvas or canvas panel. Minimum size: 8"x 10". Maximum Size: 18"x 24".
3. **Paper Towels.** Paper towels or a roll of toilet paper.
4. **Palette.** Disposable 'tear-off' palette pads work best.
5. **Palette Knife.** Optional, but highly recommended.
6. **Photo.** You will need to select and make an 8x10 photo print to paint from. Additional instruction will be given in class on how to choose and print your photo.

Gold Taklon 16 Piece Brush Set
at Hobby Lobby.
